Re: Start up of Elementary Choir

Choir has now begun for the new year! Choir will resume the regular schedule, with Group One on Monday and Wednesday, and Group Two on Tuesday and Thursday.

Parents and students are reminded to have a packed lunch on choir days rather than having a student wait for take-out. By packing a lunch, the students are not delayed and are able to attend rehearsal on time. As well, students are able to purchase pizza on Wednesday and Thursday if they wish to do so.

We are looking forward to preparing for the musical events that are to come in the new year. Thank you to the parents and students for your continued support.

If you have any further questions, please contact the school.
